IMPORTANT NOTICE.

THE NEWS has printed a large number of extra copies of this issue, containing the names and numbers of those drafted from Paris and Bourbon County. The compilation and correction of this list was an expensive and laborious affair, requiring the services of three expert stenographers the better part of two days, and extra hours of labor by the mechanical department.

These extras will be sold at the regular price of five cents per copy. If you are not willing to part with one "buffalo" in order to know where you stand you are past redemption.

PARIS WOMEN TO BE WITH HOSPITAL UNIT.

Two Paris women, both specialists in their respective lines, will be members of Base Hospital Unit No. 40, which has been organized by Dr. David Barrow, of Lexington. They are Dr. Lydia Poague, and Mrs. Carrie F. Stone. Both are skilled nurses, with many years experience in private and institutional work. Both passed successful examinations in Lexington last week with high grade marks. The unit will leave for France on October 1.

PARIS BOY PROMOTED.

Mr. Finnell Estes, who for a long time served as the efficient stenographer for the Power Grocery Co., of this city, and who some months ago accepted a position with the United States Government, has recently been promoted to Clerk Class 1, in the War Department at Washington.

Mr. Estis is a graduate of the Paris High School, having specialized in his senior year.

While young Estes is not old enough to be called on first draft to use a Remington gun, he can do a lot with his little typewriter.

MOST BEAUTIFUL WATCH IN THE WORLD.

SPECIAL REGISTRATION SHOWS UP WELL FOR DEMOCRATS.

The impression in some quarters that there was but little interest in the races for county offices as compared with the excitement caused by the draft returns, received a severe jolt Saturday when the special registration showed a total of 165 registered.

Of the number 162 registered as Democrats, and two as Republicans. A few women registered, but general interest in the matter was at an apathetic stage, their attention being more firmly fixed on the drafting lists, Red Cross work and their varied household duties.

Candidates for the various city and county offices guarded the entrances to the court house and no man was allowed to escape who looked like he should register.

EAGER TO KNOW "WHAT'S MY NUMBER."

THE NEWS office, as well as the County Clerk's and the County Judge's offices, have been besieged by young men all anxious to know if they are included in the list of those to be drafted for army service. The published list in to-day's NEWS is the best answer we can give.

While THE NEWS would be glad to give any information possible in regard to the draft and to those who were drawn in the National lottery, we would advise all the young men who have been drawn to seek their information officially from the members of the local board, Dr. Silas Evans, Sheriff Wm. F. Talbott and County Clerk Pearce Paton.
